Navigation Instructions for Space Reference Guide

Table of Contents:

- Links to each Chapter and to the major headings within a chapter.

To return to the Table of Contents:

- Click on <u>TOC</u> button located at the top of each chapter and at the end of each chapter prior to the Reference page.
- The Acrobat Reader toolbar buttons provide Back and Forward functions as well as buttons to take you to the beginning or end of each document where you will easily find the <u>TOC</u> link to the Table of Contents.

To move within the Chapters:

- Acrobat Reader toolbar allows you to move back and forward within a document.
- Acrobat Reader toolbar allows several views for each chapter including thumbnails and bookmarks for major headings which displays on the left side of the screen.
- Acrobat Reader also allows you to utilize page up/page down keys to move about the document.

World Wide Web Links:

- Activate a web link by double clicking on the web site found in the references.

To print from the Space Reference Guide CD:

- You can either print the SRG pages from within the Acrobat Reader or you can access and print the MS Word Files which are also provided on the CD. Access these files through the Windows Explorer.

To end your session:

- Utilize the Acrobat Reader command: Close or Exit.
